

PORTABLE  
CLIMATE CONTROL

# CORPORATE PROFILE

## YOUR COMPLETE PORTABLE CLIMATE CONTROL SOLUTION PROVIDER

## ICS PUTS IT ALL TOGETHER: EXPERTISE, EQUIPMENT, SERVICE

ICS Group designs and delivers Portable Climate Control solutions for the construction, oil & gas, industrial, restoration and event industries. Whether you need to HEAT, THAW, CURE, DRY or COOL, we will create safe, reliable 'best fit' solutions that meet your specific project needs.

Guided in everything we do by the integrity, commitment and skill that cultivates the highest levels of customer loyalty, our highly trained experts provide a full range of Portable Climate Control services:

- Specialized, project-specific consulting & system design
- Climate control & total operating cost calculations
- Equipment design, delivery, installation and set-up
- On-site repair
- Off-season reconditioning and storage

### IT ALL BEGINS WITH LISTENING

Whether you need a stock application or a fully customized solution to your Portable Climate Control needs, ICS Group adheres to its inflexible mission: Listen. Design. Then deliver industry-leading solutions with superior service.

With a specialized rental fleet backed by our unique blend of expertise and service, ICS Group delivers unparalleled results.

**UNTIL YOU CONTROL THE WEATHER, WE'RE YOUR BEST SOLUTION!**

### OUR COMMITMENTS TO YOU

- Our specially trained experts will enhance your project estimating and management capabilities with consulting, design and technical support
- We will determine the best-fit Portable Climate Control solution only after we listen and fully understand your project requirements and objectives
- ICS Group's R&D teams test all equipment configurations in extreme conditions and customize as required to satisfy your specific needs
- We continuously set new standards for product quality, reliability, technical service, safety and cost reductions to help you achieve your business goals

**GET IT DONE RIGHT THE FIRST TIME.  
MAKE ICS GROUP YOUR FIRST-SOURCE SOLUTION  
TO YOUR CLIMATE CONTROL CHALLENGES.**
